### Instructor Bios:

Mary Elizabeth Wakefield, is the internationally recognized author of the book, *Constitutional Facial Acupuncture* (Elsevier UK, 2014). She is an acclaimed teacher, an acupuncturist, an herbalist, Acutonics® and Zen Shiatsu practitioner, cranio-sacral therapist and a professional opera singer. Mary Elizabeth is acknowledged to be the leading international authority on facial acupuncture, the creator of innovative treatment protocols and a wide range of educational seminars that present her unique philosophy. She appears regularly as a presenter at acupuncture symposiums in the US and abroad.

An opera singer, classical composer, pianist, astrologer, healer, diviner and writer, Michelangelo synergizes the art of Western medical astrology with Oriental medicine theory and practice, and has contributed several articles on his innovative approach to *Oriental Medicine Journal*. Ms. Wakefield's life, teaching and business partner, he has collaborated with her in the creation of the GOLD STANDARD® Program and other seminars, served as her co-instructor on 4 continents, and her co-author in articles for acupuncture and other periodicals.
