This innovative certification series introduces the use of Acutonics® precision calibrated Ohm tuning forks in conjunction with acupuncture needling on the points/meridians of face/body. The synergy of sound and acupuncture is relaxing, clinically effective, and useful for treating sensitive people suffering from PTSD and abuse issues. Synergizing the use of TCM principles with vibrational sound medicine balances, supports and revitalizes face and body!

- ✚ Integrating needles and tuning forks into your practice; how to use tuning forks, needles and/or Japanese Tei-Shin probes in a treatment
- ✚ Benefits/contraindications of acupuncture/sound
- ✚ The qualities and usage of Acutonics® Ohm Earth tuning forks
- ✚ Sacred geometry treatments for the Eight Extraordinary meridians
- ✚ How to treat TMJ with sound/needles, using motor/trigger and “ashi” points
- ✚ Protocols for lifting/toning a sagging neck (platysma muscle)
- ✚ Treatments (topical/internal) using gem elixirs, essential oils/hydrosols, organic creams/cleansers, and other herbal remedies

Please note: those practitioners that own Ohm tuning forks and an acuator should bring them to the seminar. Tuning forks will be provided on site for those who do not have them, or you can order your own 1 month in advance from *Chi-Akra Center for Ageless Aging* at a 10% discount. Please be prepared to give and receive a treatment and wear comfortable clothing. The Instructors will demonstrate all treatment protocols.

\*Note: Advanced students do not include doctoral candidates, those individuals who have already graduated from acupuncture school, already taken their Boards, or are waiting for results of the same and their license, or who are already licensed practitioners.

An opera singer, classical composer, pianist, astrologer, healer, diviner and writer, MichelAngelo has created a series of seminars in his system of *Planetary Vibrational Medicine* in which he synergizes Western medical astrology with Oriental medicine theory and practice, introducing a variety of vibrational methods of remediation (gem elixirs, tuning forks) to address constitutional balance and imbalance as it is reflected in the Western natal chart and identified through other astrological diagnostic strategies.

He is a co-author of the Acutonics® advanced level text, *From Galaxies to Cells: Planetary Science, Harmony and Medicine*, to which he contributed extensive information on planetary archetypes and musical theory; [www.michelangelo-medicalastrology.us](http://www.michelangelo-medicalastrology.us), [planetaryvibrationalmedicine@gmail.com](mailto:planetaryvibrationalmedicine@gmail.com). He has also recently self-published two collections of his original astrological essays, *Random Ramblings of an Astrological Autodidact* (April 2019) and *Miscellaneous Maunderings about the Starry Sky* (October 2019). *Random Ramblings* has already received several 5-star ratings on Amazon.

MichelAngelo provides a variety of different astrological consultations both online via Skype and in person at his office in New York City.
