Practitioner Referrals: Alaska-DC

Referral List of Practitioners (US/International)

The minimum requirement for listing on these US Practitioner Referrals pages is completion of an entire Level 1, Somatic, certification series (exceptions may be made in special cases); these include Advanced Constitutional Facial Acupuncture, Constitutional Facial Acupuncture Archetypes, and Constitutional Facial Acupuncture: The New Protocols. Details of these various certification series offerings may be found on the Practitioner Certification page.

***Please be advised that our essential purpose in providing this referrals database (the maintenance of which is time-intensive, and continues to be free of charge) is so that potential clients may locate a practitioner in their area, and we may contact you regarding future seminars and other opportunities. If your listing is not current for a 6 month period, it will be deleted. Note: key to practitioner certification level is located at the bottom of this page.*
